Sakura Mobile

For Android — Travel eSIM Installation Procedure

Important Notes Before You Install the eSIM Profile

⚠ Your data plan's validity starts immediately when the eSIM receives signal in Japan.

⚠ To successfully install the eSIM, a stable Internet connection is required.

⚠ The eSIM can only be installed once. **DO NOT DELETE/REMOVE** your eSIM from your device after the successful installation.

Installation Steps

1. Connect to WiFi → **2. Issue eSIM QR code** → **3. Install the eSIM profile** → **4. Setup APN**
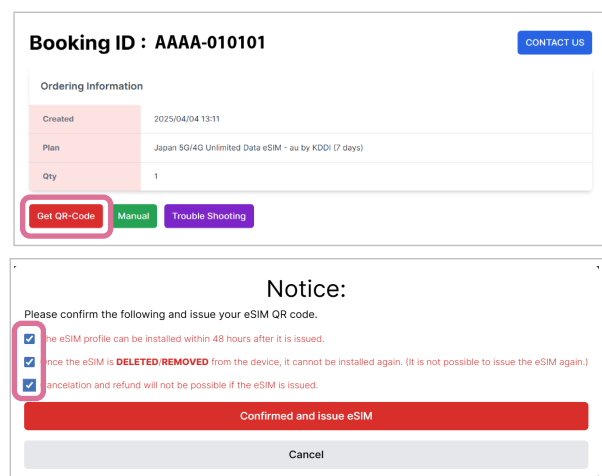

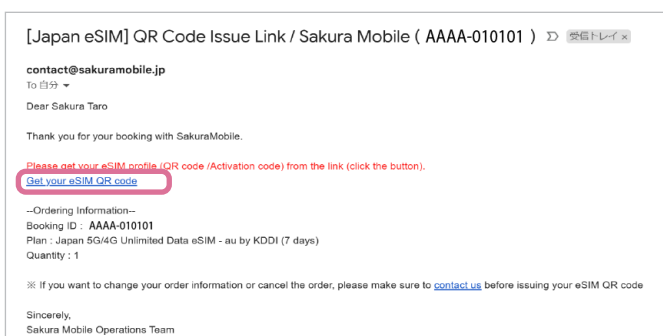

---

1. Connect with WiFi

Please go to "**Settings > WiFi**" and connect to WiFi. You can use the airport's free WiFi.
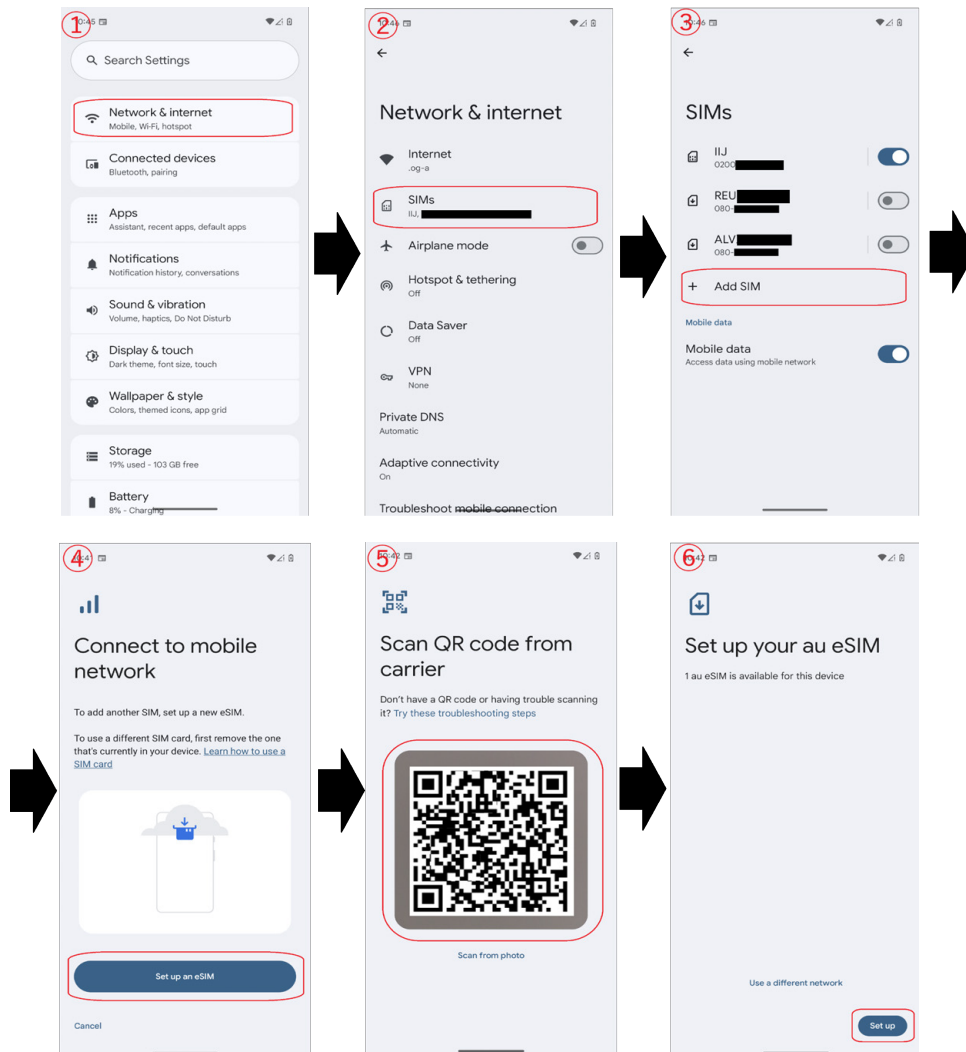

---

2. Issue eSIM QR code

2.1. Check the email "[Japan eSIM] QR code Issue Link / Sakura Mobile" and click "Get your eSIM QR code".

2.2. Click the button "Get QR-code" and issue your eSIM.
